Special Appeal

Dear Children,

We all are your guardians and your well wishers as well. As you all are aware that entire nation has to fight as one against the deadly Corona virus and its ill effects. Our honourable Prime Minister has also called for everyone's help. Therefore, we all request you to stay at your home, hostel or wherever you are in order to stop the spreading of the corona virus. Please do not use or travel via common modes of transport like Airplane, Train or Bus. By using these modes of transport, the chances of infection increase significantly.
